So, we have a Discord now...

The link to the public channel is https://discord.gg/9kTthjW

No, this doesn't mean we'll be letting go of our IRC at webchat.irchighway.net/?channels=deathtoll

And no, it doesn't mean we'll be letting go of our website at deathtollscans.net. All releases will continue happening there. The Discord is mostly a way to speed up our internal communication, and maybe get to know new people interested in scanlation.

(If you are thinking of joining us via Discord, okay, we can talk and give you a test over there, but if you're accepted, we'll require you to register in the website nonetheless, and to post your output there. Sorry, but half the team don't use instant messenger services of any kind, including some of our most skilled and reliable members, and we won't let go of the site as it's been our rock-solid base of operations for years. And I won't be a go-between posting output given to me in Discord into the forums for the next step in the scanlation pipeline. You'll still have to use the forums even if only for 30 seconds when you post your work.)

... and are inviting translators!

Below follows a loose list based on stuff that is stalled or upon which we've stumbled in recent months. If you are a translator and would like to help out, I can only promise to make a bait chapter initially, and use it to fish for editors. That's why this is an invitation, not a recruitment. *If you have your own ideas of what you'd like to do, we're open to those, too.*

- ***Again!!*** (seinen, supernatural, school life)
- ***Diamond Cut Diamond*** (shounen, supernatural)
- ***Ragna Crimson*** (shounen, fantasy)
- ***Lucifer's Right Hand*** (seinen, medical)
- ***Primeval taiga*** (seinen, Mori Kouji nonsense)
- ***The small plaza*** (we have no idea, but some random person gave us raws; one-volume collection of stories. In Japanese, *Chiisana hiroba*)
- ***Desire Devil*** (first serialisation of Mitabi Irohara, author of the famous one-shot, ***Sex Manga***; no idea what it is about)
- ***They're Calling for You, Mr. Azazel*** (seinen, supernatural)
- ***Broken Blade*** (seinen, mecha)

One of our redrawers wanna do a few vintage manga. We've never done vintage before, but have nothing against (though we have no idea how to find raws for old manga), so here's the list:

- ***Constellation of the imaginary beast*** (seinen, horror, supernatural)
- ***The Bride of the Demon*** (horror, shoujo)
- ***The Horror Mansion*** (horror, shoujo)
- ***Paranoia Street*** (seinen, horror)
- ***Space Adventure Cobra*** (shounen, fantasy)

All the names above can be found in Mangaupdates, even if these series are more readily recognised by their Japanese names.

The list will be very fluid in future versions of this ad, and may change according to our whim or mood. At least, until we lock on something.
